

The KEB AgGroup Professional Team

Madlyn Custer

TAX STAFF

PROFESSIONAL BACKGROUND

Madlyn's work primarily focuses on agricultural producers. Her experience includes tax planning and tax return filings for individuals, partnerships and S Corporations along with the compilation of financial statements. She has also been involved in filing profit sharing and related benefit plans, retirement planning for high-net worth individuals, and reorganization of family farm businesses.

Madlyn graduated from Southern Illinois University Edwardsville in May 2020 with a Master of Science in Accountancy. She is currently studying for her CPA certification.

EXPERTISE

- Accounting and Payroll Services
