

The KEB AgGroup Professional Team

Cody DeWerff CPA

SENIOR TAX MANAGER

PROFESSIONAL BACKGROUND

Cody has nearly 20 years of public accounting experience. His services include agreed-upon procedures, farmer grain inventory analysis and tracking, the review and compilation of financial statements, tax planning and consulting with closely-held corporations, partnerships and S corporations with a specialty in the agribusiness industry.

Cody has extensive experience with tax planning, consulting and compliance for high net worth individuals especially those associated with a closely held business. Additionally, Cody is knowledgeable in the areas of estate planning both for reducing or eliminating estate taxes as well as for family succession planning for successful transfer of the operation to the next generation.

Cody received his Bachelor of Science in Accountancy from Southern Illinois University at Edwardsville. He is licensed in Illinois as a Certified Public Accountant.
