

The KEB AgGroup Professional Team

Blake Pollard CPA

SENIOR TAX STAFF

PROFESSIONAL BACKGROUND

Blake's work focuses on agricultural producers. His experience includes producer inventory and working capital reporting, cash and accrual reporting conversions, season-developing crop costing and profit projections relative to developing production and price changes, tax planning for business reorganization transactions, ag producer tax planning, LLC, partnerships and S Corporations tax return filing and compliance, and farm accrual financial statements with a focus on medium and large farm operations.

Blake received his Bachelor of Science degree in Accounting from Blackburn University in 2015 and earned his CPA license in January 2020. He plans to specialize in agricultural income, estate and finance planning.
