

## The KEB AgGroup Professional Team

---

# David R. Pritchard CPA, CMAA

RETIRED PARTNER | CONSULTANT

### PROFESSIONAL BACKGROUND

With over 45 years of significant business experience in public practice, David specializes in consulting and managing organizations with annual revenues of \$100 million and under. He is a licensed CPA and a certified merger and acquisition advisor.

David was a founding partner of Pritchard Osborne CPAs, which merged with Kerber, Eck & Braeckel (KEB) in January of 2013.

### SPECIALTIES

Having served as controller of a family farm in the early '80s, David brings solid experience to today's ag production operations. Along with a team of professionals, the KEB AgGroup team is focused on the business aspect of agriculture throughout the Midwestern United States. In addition to core tax and accounting services, they provide consultation for building solid organizations through strategy and team building, tax planning for entity and capital structure, and management and transfer of family wealth by succession plan execution.
